Commodores Comment

Hi again and welcome to this month's Shoreline. As the boating season comes to an end with darkness and the cold drawing in the enthusiasm to get the boat out reduces. I'm sure there will still be fine days to come though.....I'd put money on duck shooting weekend. It's about the only weekend of the year people are hoping for rough weather to keep the ducks low and more often than not it's wall to wall sunshine!

Another weekend in May that we hope will be fine is the 20th. This is the weekend that we host the 3rd round of racing in the NZ Boat Marathon Commission. It's the BIG event for the year with many GBC members entering in the nominated speed event that don't race anywhere else. If the weather plays nice there will be three races, speed, nominated speed and a drag race. If that's not your cup of tea they are also in need of pickup boats to help out. Helen and I went up to Roxburgh last weekend to watch the boats race down and up the gorge. We put in at the dam and cruised up the lake to where the cycle track ends from Alexandra. We had a good vantage point and we took some good shots of the boats flying past. We ended up towing Evinrude back to the ramp as they broke down just short of the finish line, was easier to tow them the 5ks back to the bottom ramp than the 25ks to Alex against the current. It turned out the propeller bush had disintegrated. That wasn't the only propeller mishap for the day as I managed to give our aluminium prop a large dog ear after striking a submerged willow branch. I was surprised at the amount of damage to it as it didn't seem much of a branch or alter performance a great deal.

This past month, the 4wd trip, Kingston Katch, Poker Run, Deep Cove and the start of the Marathon series, all have been successful and well attended by members so it's pleasing to see the support for the club is strong. Keep it up.

Until next time
Dave McFadzien
GBC 888

Ps. The rear Hilux springs are certainly an improvement!!

Secretary Notes:

The boat club Executive met at Trevor Heaps' home this month with twelve members present. There was nothing too controversial to discuss and we mainly covered reports of a fairly busy March and April Boat Club event list. Since our last meeting we have had Kingston Katch, the 4WD trip and the Poker Run. Generally with satisfactory numbers and all events enjoyed by those taking part. The 4WD trip had 24 vehicles and was an interesting trip through the Heslip farm and onto Grants' property where we had lunch. There is a lot of country out there being developed and the story about the production of meat from farm to consumer was very interesting

The Kingston Katch and the Poker Run were down a bit in numbers but well enjoyed by those who attended. In both cases most boats caught fish. A big thank you to Stabicraft for their generous support .

In Coming Events we have the Marathon with organisation well in hand. A note that if at all possible, Gore members should get their boat scrutineered on the Thursday night prior to the event as there is less time being allocated at the ramp for this on the Saturday.

Other events to look forward to are the Brass Monkey trip and the Skippers Dinner. As this is the 60th anniversary of the Boat Club we are planning to "Tart" up the latter a bit with some sort of entertainment. And no Tony it won't be pole dancing. We hope to use the occasion to update the Executive Committee and Commodore photos which haven't been done for a few years so please plan to be there.

An finally, the safety boat "Poppy" has been sign written, with thanks to Jim Marshall of Sign Advertising for the generous donation of that. The writing acknowledges the donation of the money to purchase the boat from the RSA . Also the Boat Club provision of a second hand 8 hp Evinrude for the boat has proved an excellent match and the combination will work well to provide safety and tuition for the Firebugs sailors.

Till next month, cheerio

K The Kingston Katch was held on the 1st April. This year Janine and Anika had sports commitments on the Saturday so Bailey (aged 9) and I headed to Kingston after work on Friday for some father daughter bonding. After a few light refreshments and being the responsible one we headed off to bed. Between the laughter coming from the BBQ area and a full moon shining in the latch window I managed a few hours sleep before it was time to be up again. We had a cooked breakfast on the boat and were on the lake before anyone else.

i We had a relatively successful day, catching about a dozen fish and keeping 4, unfortunately none of any great size. I was pretty impressed with Bailey's skills having to step up with it only being the 2 of us, her accuracy of steering the boat at 10m off the shoreline while I cast from the boat outclassed my better half (well that's what I told her). And yes, of course, we only had 2 rods. Janine and Anika, along with Kathryn and Blake Sayer, joined us for Saturday night.

n The club rooms along with boats on the lawn were full of people on Saturday night. As per normal there were the usual antics and stories that improved as the night went on. From what we heard the snoring was the best to date with even an eviction from the Honey Moon Suite (aka The McFadzien Room).

g This year our numbers were down a bit due to kids sports and it would have been easy for us to flag the fishing but I am pleased we didn't. Bailey and I had a great time and I am sure everyone else did too. Special thanks to Janine for organising food and prizes and for the boys cooking the BBQ.

s Results were:

o **Adult Catch:** 1st Tony McDowall, 2nd Brad Inder, 3rd Shane Stevenson

Poker Run

Easter Saturday 2017 and Cyclone Cook was trashing most of the country. But lake Manapouri was still mostly calm. The route this year was South arm, Fairy Beech , Shallow Bay about 60km in total. Stabicraft had sponsored the Poker Run this year and had two brand new boats for people to view at registration. Both had never been in water before and completed the course with ease. We had 42 boats in total and around 150 hands of poker. The top three hands were flushes, One GBC member (who will remain nameless) would have had a straight if they hadn't lost two cards!! A bit like the big fish that got away eh? There was a large crowd at the pub for prize giving and a band on afterwards.

Thanks to the following people. The card boats, Pete, Phil and Keith. Trevor who was tail end Charlie and managed the top ramp and Bill Hillis who ruled the lower ramp. Also Thanks to Hayden for instigating the Stabicraft sponsorship. Last but not least thanks Helen, Kelsy, Maegan and Devin McFadzien.

METHOD:

In a small bowl, stir together the soy sauce, mirin, honey and sesame oil.

Divide into two equal parts.

Stir the rice vinegar into one part and set aside as a dipping sauce.

Spread the sesame seeds out on a plate. Coat the tuna steaks with the remaining soy sauce mixture, then press into the sesame seeds to coat.

Heat olive oil in a cast iron fry pan over high heat until very hot. Place steaks in the pan, and sear for about 30 seconds on each side.

Slice and serve with the dipping sauce and wasabi paste.
