Commodores Comment

Hello and welcome to this months news letter.

Firstly my name is Tony McDowall local painter in Gore and I have been elected as the commodore for the up and coming year.

I am married to Miranda and have 3 children. Cameron 13, Lochie 10 and Charlotte 7.

We live on a small lifestyle block at Whiterig. We have a 7m Huntsman Explorer and enjoy Fishing, skiing and anything to do with boating in general.

I would like to thank Dave for an awesome job he has done as commodore and he will surely be a hard act to follow.

Once again it was a disappointing turn out to the AGM with approx. a dozen in attendance which is a bit poor considering over 200 members that we have. I would like to thank Brad Inder for his time on the executive as he has stepped aside (for now).

We would like to welcome back Hayden Sayer and welcome Chris Gillian to the executive.

Well done to the GBC members that entered and done well in this years marathon series. This race boat series is becoming very popular and the condition of boats is extremely high with very cool graphics and signwriting.

The days are starting to become longer and weather improving so its getting close to dusting off those boats, I think mine is where I left it 6 months ago covered in dust.

There is no general meeting in September but we will have something in October for you. Until next time.

Tony McDowall

Secretary Notes:

There was no Executive meeting this month due to the timing of the AGM , however there has been a lot happening since the last meeting.

The Skippers Dinner at the RSA on July 28th was an opportunity to celebrate the 60th anniversary of the Boat Club and there was an excellent attendance with 50 people enjoying a great meal and an interesting speaker in Tim Cruickshank talking on Fiji tourism ventures using jet boats. We also took this opportunity to bestow a Life Membership on Henry Bennett. The poor sucker didn't see it coming as we hid it behind presentations to Shona and Len Ross in appreciation of their efforts hosting the compilation of the Shoreline in recent years. Henry was chuffed with the honour but it was well earned, representing at least 15 years as Treasurer and years before that on the Executive.

More recently there was the Southland Trailer Yacht Squadron Boat Show in Stadium Southland. There is a brief report elsewhere in the Shoreline. Then there was the AGM of the Gore Boat Club. Bugger, you missed it! Held on the 24th August at the Lodge we only managed to attract 16 members which was a little disappointing in a club of 223 members. Anyway, there were enough there to provide a quorum so we were able to vote in a new Executive. A big welcome to Chris Gillan who comes onto the committee as Junior Vice Commodore, and welcome to Hayden Sayer who has agreed to do another stint on the Executive. Thanks you jokers.

This year we don't have a Printing committee for the Shoreline as most of the compilation will be done by OPD with the labelling and stamping being done by “volunteers” from the Executive.

On-Site Air Conditioning Service

Secretary Notes:

There was discussion on the Club's financial position which is not too bad thanks to good occupancy at our lodge helping fund the expenses spent on it over recent years. So there is no need to adjust subscriptions this year, but this will be looked at again next year.

Nothing has been organised for next month (September) yet but be sure that the Executive will have their thinking caps on to keep interesting boat club events rolling on. Dave McFadzien has made a pretty hard act to follow but as you know the new Commodore is a bit of a dark horse and will have a few tricks up his sleeve, so watch this space.

As usual we encourage suggestions for interesting events that you may think of. Speakers are a bit of a quandary as meeting attendance can not be guaranteed if the last few years are anything to go by, but try us anyway. And there is always space for articles for the Shoreline. A few pictures and fewer words are all that is required. If you don't have typing skills let me know and we can have that done for you.

Finally, What did the brassiere say to the hat?
You go on a head and I'll give these two a lift !

Toodle-pip Pete.

Gore Boat & Water Ski Club (Inc.)

THANK-YOU

Gore Boat Club

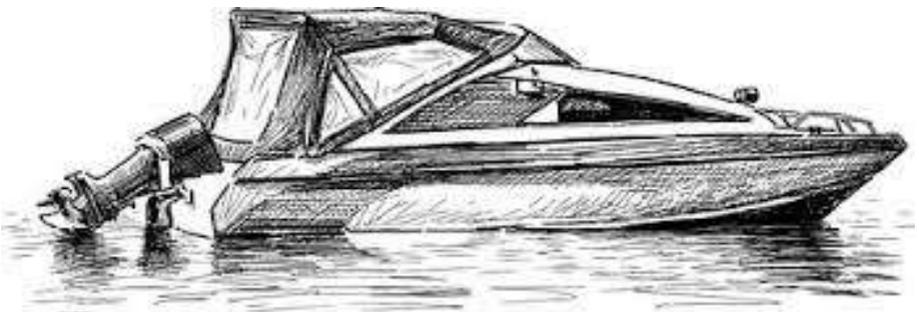

To all members of G.B.C and especially the Executive Committee I would like to thank you all very, very much for awarding me Life Membership of the club.

It was unexpected and caught me a bit surprised as it was a well kept secret until it happened.

I am proud to accept it and pleased to be a help to the club. I have enjoyed my time in it and always have been amazed by some of the outings that have been arranged by the different people as they progress through the club. Having a group of people from lots of different vocations certainly adds spice to many of the activity's

I urge everyone to participate and enjoy these events as much as myself and our family have over the many years.

So thanks again to Commodore Dave and the committee .
Henry Bennett.

Fire Bugs at Invercargill Boat Show

I had intended to give this years Boat show a miss, but an invitation from the Trailer Boat Squadron for us to display the Firebugs on their stand was an opportunity to present the boats to a wider audience and was too good to miss.

On Friday, Phil Crump and I loaded the three advertising Bugs and rigging onto my trailer and set off for Invers. It took no time at all to set up the boats on little trolleys I had made and fully rig them on the stand. Dave McFadzien had already delivered our safety boat Poppy so we set up the group together along with a poster promoting the yachts and the sailing venue in Gore. Hopefully we will garner a bit of interest from the public.

On Sunday, I returned and was able to have a quick look around the show before close-down time. Although the looked to have fewer exhibitors than last time there was still plenty for boaties to look at. Always the immaculate boats made of glass hair held together with frozen snot, or the other options made out of flattened sardine cans. Very few boats made of that wonderful renewable resource ,timber.

These shows are a wonderful opportunity to compare the different craft at arms length and of course the salesmen will be giving you all the salient details of their products while the words of the last manufacturers models are fresh in your mind. Our Garry and Brad were there in force with a big stand. Garry was hoping to make a small fortune from the show, and considering he started with a large fortune I think he was successful. It is always a big undertaking to do a show of this kind but you have to be there. The show promoters do the advertising to attract all and sundry to the one spot and it is up to the salesman to make the best of that audience.

Our wee boats looked good and colourful on the Trailer boat Squadron stand and they were very appreciative of our effort to display them. I am hopeful our own boat club Kids will get out and use them this year. Small yachts like this are great for children to learn new skills and strength and physical fitness are not necessarily the main requirements. Once we start having races I think a tactical mind will be more important. Imagine your child as captain of his / her own ship . Can't do any harm eh?

Pete Salmond

W R I G G I L L S E V A D U S

Its time once again its time to get our gear together for our Whitbaiting tour of duty. This year we have made a few changes the main being the instillation of a lift up stand on our no 1 position. This has required a lot of work and a new way of thinking about the method we will use for our net position. It is 20 m long and will be a joy to use when the flood comes along as all we have to do is hook one of the utes to the battery and up she comes. It will save some of the dodgy rescues that we have done in the past.

No 2 will still have to be built up in the old fashion way but we can now take our time and use all the best of the gear.

There was a big flood over there earlier this year and it has destroyed the HAAST BEACH camping ground so there will be a lot White baiters who used to camp looking for a place to stay, could an interesting year..

Also our two fridges died last season so we have repaired one and found a replacement for the other, cant be without them to put all the bait in (ha-ha)

We do look forward to going it sure is a change and always something going on.

By the time you read this we probably will have had a feed or two.

Anyway I will keep up with news of the new season on my return.

Recipes

Vegetable Lasagne

Ingredients

260 g Pumpkin, peeled and sliced into chunks
1 Kumara, peeled and sliced into chunks
6 Mushrooms, medium, thickly sliced
1 Zucchini, sliced into rounds
1 Red pepper, sliced into thick strips
50 g Butter
¼ cup Plain flour
2 cups Milk (hot)
½ cup Tasty cheese, grated
To taste Sea salt and cracked black pepper
300 ml Tomato pasta sauce
4 Lasagne sheets
2 Tbsp Parmesan cheese, grated

Method

Preheat the oven to 175C.

Heat a large pot of water and cook the pumpkin and kumara pieces for 4-5 minutes until just tender when pierced.

Add the zucchini, mushrooms and pepper to the water and cook for a further minute.

Drain the vegies and spread them out on a large tray.

To make the cheese sauce, melt the butter in a medium-sized saucepan until bubbling, then add the flour and cook for 2-3 minutes until pale golden.

Gradually add the hot milk while stirring until smooth. Simmer for 4-5 minutes, add the cheese and season well. Remove from the heat and let cool.

Spoon about ¼ of the pasta sauce over the base of a 28 x 19cm baking dish or similar.

Add a sheet of pasta, then layer it – cheese sauce, pasta sheets, tomato sauce, vegies – until you have finished (the cheese sauce should be on top).

Sprinkle with parmesan. Bake for 40-50 minutes until it is golden and bubbling (check the pasta is cooked by piercing with a knife).
