# Commodores Comment

Hi and welcome to the years first newsletter.

The first executive meeting was held at Peter (the fish) Salmonds home with all but 2 in attendance. The last meeting in was in October so a lot was up for discussion. Mainly everyone's holidays and trips away over the festive season.

But everything seems to be ticking over nicely with the lodge in Kingston having plenty of bookings. The club purchased a new water pump for filling the tank so we **don't have to pay for water delivery and just in time** with the lack of rain. Thanks to Chris Gillan for filling the tank while he was up there.

**I'm sure everyone has been getting there boats out** with this extremely good summer season.

We took a few weeks off work and headed to Riverton where the beach looked like the Gold Coast with all the hot weather. Unfortunately our boat hasn't seen water since November but I managed to get a few fishing trips in over the break in someone else's boat.

We have a few events coming up so please support these as the committee put a lot of work into keeping everyone entertained.

Until next time,

Tony McDowall  
GBC 795

# Secretary Notes:

Seventeen attended the first GBC Executive meeting at my house on the 1st Feb. The meeting was held early to report on events over the holiday period and plan for the next few months' boat club business.

Under Financial, Henry reported that the Christmas Party ran a \$700 deficit but most thought that the night was a great success and with over 70 people there it was one of the better supported events on the boat club calendar. It's a numbers game and if more people had attended the loss would have been smaller. There was certainly plenty of food to support greater numbers but of course at that time of year there are clashes with other meetings.

Also, after the Christmas Party we entered the Parade with a good turnout of boats representing most of the activities that we use our boats for. It was well received by the watching public. Thanks to all those who entered their boats.

The Executive welcomed two new members. It's good to welcome Peter Cooper and Kevin Ryan aboard the club

Coming Events discussed were the 4WD Run which Matt King is organising and will be advertised elsewhere in the Shoreline.

Kingston Katch is an excellent meeting for the Boat Club and is always well supported, utilising our Lodge for what it was designed for. Dates are the 21st and 22nd of

# Secretary Notes:

On 18th March, if there is enough interest we are planning a trip to Otago Harbour. This can be a simple sight-seeing day and there is lots to see especially the wild life around the harbour. I believe there is good fishing there too with Kingfish being caught and of course there is the salmon. Kahwai are running and there are spots where you can catch Blue Cod. Dunedin is no further away than your favourite lake so give it some thought. Lunch at the Carey's Bay Pub anyone? Phone me, Pete Salmond 0272089031 so we have an idea of numbers.

General business covered problems with the water system at the Lodge. Supply has been cured with the purchase of a pump and hose and with the dry season has already proved its worth. Problems are with the low pressure system within the Lodge and the hot water to the showers which can be dangerously hot when someone uses the cold water somewhere else. We might be looking at replacing the existing pump system. Its only money you know.

The Firebugs have had only limited use over the holiday season which is a shame given the excellent summer we have had. Today we had six children from the Balfour School using the yachts for the first of six have a go day. They handled the boats really well and there were some scorching runs down the lake at times. Thanks to Ivan van de Water for coming and helping set up the boats and manning the rescue boat.

That's all for this month. I am away to do some preparation for a short-course with the Polytechnic on "What to Do With Your Conversation Pit".

C U Around

Pete

# Ski Champs + Coaching Weekend

We woke on Saturday morning to overcast skies and a flat lake. The day just got hotter and hotter as the cloud burnt off. Sunday was showery, hot and the lake dead flat. It never rains in Cromwell but it meant we had the arm to ourselves - perfect for skiing.

Over the weekend there were 15 skiers coached ranging in age from 5 years to their 40's.

Between runs participants and their siblings had so much fun playing on the water toys the families generously shared with everyone. A paddle board was the only water toy I can think of that wasn't available.

It was pleasing to hear the shrieks of laughter, to see new friendships being made and to see the teenagers playing with and looking out for the younger ones.

Special thanks must go to Morgan Tremaine and Mark Heaps who spent hours in the water coaching and to Morgan for the use of his boat for the ski champs.

Allowing scores for the ski champs to be recorded over the two days worked well as there were entrants who could only be there one day.

Thanks to everyone who came and made the weekend a fun time. Conditions were so good on Sunday I know the keen skiers didn't want to pack up and leave.

For excellent drone coverage of a couple of the senior men's slalom entrants go to the Gore Boat Club Facebook page.

# Milford Sound

The seas have warmed up a lot, so its time we went in there after the Game Fish.

For 2 or 4 days and stay at Johnsons Hostel.

Proposal - Go when the seas are good. Not in a storm.

There are Bluefin Tuna and Albacore Tuna at this time of the year.

I have towed the boat in many times over the years.

Have tea in Te Anau so that we can go in when the buses are gone.

Go home when it suits. Its well worth a visit.

If you are keen give me a ring from 5th of March onwards.

**Avoid excessive alcohol**

# RELEASING UNDERSIZED FISH GUIDELINES

-  Do remove fish from the water only if you have to.
-  Do wear wet cotton or rubber gloves or at least wet your hands.
-  Do lay fish on a soft wet surface if you need to handle them out of the water.
-  Do change to a larger hook size if you are catching a lot of undersize fish.
-  Do minimise the time fish are out of the water.
-  Do remove the hook carefully from lip hooked fish.
-  Do return fish gently to the water.

## **Do not**

-  Don't hold fish by inserting your fingers inside the gill covers.
-  Don't poke or touch the eyes, and never hold fish by the eye sockets.
-  Don't use a "gob" stick on fish you will release.
-  Don't squeeze the gill covers or gut area hard.
-  Don't lift fish by the tail as this can dislocate the spine.
-  Don't drop or place fish on a hot dry deck or on rocks.

# Recipes

## Salmon Parcels with Lemon and Capers

### INGREDIENTS:

2 Potatoes, thinly sliced and blanched for 5 minutes

1 Lemon, cut into 8 wedges

4 Boneless salmon fillets, skin on

½ Red onion, sliced into wedges

8 Vine-ripened tomatoes

2 tsp Capers

1 tsp Lemon, zest

8 Bay leaves

Sea salt and cracked black pepper

¼ cup Olive oil

¼ cup White wine

### METHOD:

Preheat oven to 180C.

Cut 4 pieces of baking paper, approximately 20 x 25cm.

Lay the paper out and line with a layer of potato and lemon slices.

Top with the salmon fillets, then place the onions and tomatoes around the outside.

Dot the fish with the capers, lemon zest, bay leaves and season.

Twist the ends of the paper together to create a shallow parcel, and nestle these in a large roasting pan.

Divide the oil and wine around the salmon portions.

Roast for 18-20 minutes, depending on portion size, or until the salmon just flakes away at the thickest part.
