# Commodores Comment

Hi all and welcome to this months shoreline.

It was a busy August for the committee with a successful marathon and then the AGM.

We were so pleased with hosting the final round in the marathon series that we are going to put up our hands and try for it again next year.

A good turn out for the movie night was great to see even though it was a bit far fetched.

**I don't have a lot to add this month, the weather is on the improve and boats will be dragged out of the sheds soon.**

We have a few events coming up so pleased try come along and support them.

The Kingston Clubrooms are getting some good bookings so get in now if you wish to use it.

We have a working bee/fishing weekend coming up for those that want to lend a hand and help.

The Len Ross fishing competition and then Xmas are just some of the things coming up on the calendar.

I have organised a wee bus trip for the 4th of October, more details later in the magazine.

Until next time,

Tony McDowall  
GBC 795

# Secretary Notes:

The first Executive meeting for the new committee was held at Tony McDowalls home with eleven members present. Mostly we were involved with organising the Boat Clubs calendar of events and some housekeeping items.

Probably the most significant item on the agenda was the revamped web site, done by Kerryn Gillan with some help from Dave McFadzien. You can't see it yet but it won't be long before you can, and it is a lot better than the old one. Alongside it is a link to the Lodge booking page where you can bring up a calendar of the lodge boooing's to see what is still available. You can select from the free dates and book the lodge and will get confirmation by return email. No chance of double booking now! Great work that girl (and bloke) Sorry Kerryn the cheque isn't in the mail but something will be.

The yearly Working Bee at the Lodge has been shoe-horned into the 3rd November. Just a general tidy up and some repairs to the deck. Phone Tony if you can go. There is talk of beer, and fishing to follow. Always a good day out. And while on about the Lodge, don't hold back if the lawns need mowing when you are up there as there is a good mower and we don't have a caretaker. You are allowed to!

# Secretary Notes:

At this time we always have to organise the next years Shoreline advertisers who are so necessary for the funding of the printing. Nearly everyone has agreed to continue this year and we are trailing a few with colour adverts. Also, we have a centre fold for colour pictures (steady now Tony) so we really need to have your pictures for that. Don't need a big spiel of writing although the story would be most welcome, but hopefully it will improve the look of the Shoreline. Remember the address for articles and pictures is [boating@ispnz.co.nz](mailto:boating@ispnz.co.nz) Amanda will be very happy to have your contribution. And if you are not 'putor literate you can always give me your hand written article and I will type it out.

Executive also discussed the organisation of the Doubtful Sound Trip and has decided there are changes required in its organisation. This will be discussed in depth at the next Executive meeting in October.

As usual, if you have any thoughts or issues you would like covered by the committee they can be directed to me, the humble messenger at [rifleman@actrix.co.nz](mailto:rifleman@actrix.co.nz) or by cell 0272089031 or my home phone 2089609.

Toodlepip for now.

# WRIGGLIS EVADUS

We went over a few days early to put up the stands and get ready to go but the river was very low and had got blocked at the mouth causing a large back up of water right where we wanted to plant our steel poles. We got the lift up ready and all the gear down the day before where the water was low enough to get the stand built. Quite a treat to lay the horizontal rail on the water and have it level all the way out. Was a bit slow and it was only my pot net [freedom net] that got enough for a good feed. Next two were not much better so I took the small Stabi down to Jacksons Bay and went sea fishing, no luck there either and nothing on the stands. Next day I went down sea fishing again and at least caught one small Blue Cod which went back and a few bait fish. I was fishing amongst some Cray pots when the boat came to lift them so I scuttled out to safety when all of a sudden **the boat came right at me and some guy yelled “can you catch?” “yep “ I said and with that a ruddy big crayfish came** flying at me in a rugby type pass, I deflected it into the boat and gave them the thumbs up for securing our evening meal for us. On the way out I was inspected by a marine fisheries officer who noted down the cray and two sharks I had with me. No problems. First time ever seeing one of those officers..

Next day back to baiting and things started to improve and by the 10th day when I left we had caught a nice catch and had a few good meals as well.

As I started to come home the road was blocked by a slip but by the time I got there it had been cleared .

So overall it was one of our better starts with absolutely brilliant weather with lots of birds about and a bit of painting done.

Will be back in School holidays

# Recipes

## Zesty Lemon Tea Loaf

### Ingredients:

225 g Butter, softened

2 cups Sugar

4 Eggs

2 Lemons, finely grated rind (save juice for topping)

3 cups Flour

½ tsp Salt

1½ tsp Baking soda

1 cup Buttermilk

### Topping:

2 Lemons, juiced

½ cup Sugar

### Directions:

Preheat oven to 180C. Grease and line 2 loaf tins. Beat butter and sugar until pale and creamy. Add eggs, one at a time, beating well after each. Mix in lemon rind of 2 lemons.

Sift dry ingredients, then add alternately with buttermilk, ensuring that a measure of dry ingredients are mixed in last to help prevent curdling. Pour into loaf pans and bake for 1 hour or until loaves test cooked when a skewer inserted comes out clean.

Combine juice of 2 lemons and sugar. Spoon over hot loaves, then leave to cool.
